

To our valued patients,

We hope you are safe and well.

With the recent lock down announced by the Queensland Government and following the advice from the Australian Dental Association, our practice will remain open.

To ensure everyone's safety, if you will be attending your appointment you must adhere to the following:

- Wear a mask while sitting in the waiting area and only remove it while having treatment.
- Sanitise your hands when entering and leaving the practice. Hand sanitiser will be made available.
- Where possible, attend the appointment alone or only bring one support person.
- Adhere to the physical distancing measures we have in place. Household members who are normally in close contact should be seated together.

Please call to reschedule your appointment if:

- You have a fever;
- You are experiencing any cold or flu like symptoms;
- You have come into close contact with someone who has a confirmed case of COVID-19;
OR
- You have travelled to an area with a known spread of COVID-19.

We thank you for our understanding in these difficult times. Stay safe – we're all in this together.

Kind Regards

EDGE ORTHODONTICS
